

Carpet Collectors

**6 Billion Pounds Of
Carpet Fill Our Landfills
Each Year**

Be A Part of The C.A.R.E. Act Carpet America Recovery Effort

Carpet Collectors not only makes it easy to save you money, they put you on a path that the government is eventually going to require. California recently passed AB 2398, product stewardship for carpet. This Bill is a real progressive step in keeping carpet out of the landfills. Let Carpet Collectors help you stay ahead of regulation.

We will accept most carpet types, with the exception of Berber, some commercial grade and rubber back carpet.
